

## CHILDREN'S MISSION MOMENT

**Leader:** Good morning, boys and girls. It's wonderful to have you here today. Imagine you're getting ready for school. What do you grab to do your homework or color a picture?

**Children:** **Pencils, crayons and paper.**

**Leader:** That's right! But what if you didn't have these supplies? It would make things really hard, wouldn't it? Some kids around the world don't have all the things they need for school or home. That's where the Festival of Sharing comes in!

**Leader:** The Festival of Sharing works with churches like ours to provide Kids Kits. These kits are filled with supplies—like crayons, pencils, paper, and more—to help kids have what they need to learn, create, and grow. Jesus taught us to care for others, and making sure kids have what they need is one way we can share God's love.

Let us pray: Holy God, thank you for loving all your children. Help us share love and kindness by helping others. Bless these Kids Kits as they go to children in need, bringing smiles, joy, and hope indeed. And all God's children said... Amen.
