

2020 FESTIVAL OF SHARING HYGIENE KIT MOMENT FOR MISSION

What's your morning routine?

I turn on the light and roll out of bed bleary-eyed and unprepared to face the long day of work ahead. Once I wash my face and begin my daily morning rituals of brushing teeth, convincing my hair to do what I want it to and bathe, I'm ready to tackle whatever challenges lie ahead—after I have my coffee, of course.

In Toledo, Ohio you have made it possible for the individuals living at the Cherry Street Mission to have an easier and cleaner morning routine.

Guess what that means?

Because of you, individuals living at this homeless shelter can have a little more dignity because they now have basic hygiene products they need. Which after the COVID-19 pandemic, we all know the value of first-hand of being able to wash our hands to stay healthy. Your hard work and diligence have brought more than hygiene kits. You have given hope for someone to start their day out right. From the toothbrush to the soap to the washcloths and the towels, you have made all of this possible. Thank you for your generosity.
